STIPULATION OF SETTLEMENT

This Stipulation of Settlement (the “Settlement Agreement” or “Agreement”) is made by Jeff Worth and Robert Burns (the “Class Plaintiffs” or “Representative Plaintiffs”), individually, and on behalf of all others similarly situated, hereinafter the Settlement Class (as defined below), on the one hand, and CVS Pharmacy, Inc. (“CVS”), on the other hand (collectively, the “Parties”), in this action pending in the United States District Court for the Eastern District of New York (the “Action” or “Class Action”), subject to and conditioned on the approval of this Court of the terms and conditions thereof.

1. RECITALS

1.1 On February 1, 2016, the Class Plaintiffs filed the above-captioned Class Action Complaint, alleging that CVS made misleading claims that its Algal-900 DHA product, a dietary supplement containing docosahexaenoic acid (DHA) (the “Algal-900 DHA Product,” as further defined below), would improve memory. The Complaint includes claims on behalf of plaintiffs individually, as well as a putative class of nationwide consumers who purchased the Algal-900 DHA Product. Class Plaintiffs also pleaded claims on behalf of New York and Florida subclasses.
The Complaint contains counts against CVS for common law claims of negligent misrepresentation, fraudulent misrepresentation and unjust enrichment, and for the subclasses for violations of the New York and Florida consumer protection statutes. It further seeks injunctive relief and damages.

1.2 In April 2016, and from September 2018 through April 2019, CVS and the Representative Plaintiffs, individually and on behalf of the other members of the Settlement Class, engaged in arm’s length, good-faith negotiations in an effort to reach an amicable resolution to the Action through a mediation process conducted by David Geronemus, Esq., of JAMS in New York.

1.3 As a result of the negotiations, the Parties agreed to settle the Action pursuant to the terms set forth in this Settlement Agreement. Both CVS and Representative Plaintiffs and Class Counsel believe that the Settlement Agreement provides benefits to the Settlement Class, is fair, reasonable, and adequate, and is in the best interests of the Parties, including the Representative Plaintiffs and the Settlement Class Members.

1.4 Representative Plaintiffs in the Class Action allege, among other things, that CVS’s labeling claims regarding its Algal-900 DHA Product are misleading.

1.5 Class Counsel states that they conducted a thorough examination and investigation of the facts and law relating to the matters in this Action, including but not limited to engaging in informal discovery, review and analysis of CVS’s documents and data, review of the underlying facts, review of the Algal-900 DHA Product sales and financial data, analysis of the medical and scientific studies relative to the claims at issue, and an assessment of DHA. Class Counsel also evaluated the merits of all Parties’ contentions and evaluated this Settlement Agreement, as it affects all Parties, including the Settlement Class Members.
1.6 Based on the discovery and investigation to date, an evaluation of the facts and law relating to the matters alleged in the pleadings, Representative Plaintiffs and Class Counsel have agreed to settle the claims asserted in the Action pursuant to the provisions of this Settlement Agreement. In so doing, Representative Plaintiffs and Class Counsel have considered the terms of this Settlement Agreement, the risks of continued litigation, and other factors, including but not limited to the following:

   a. The expense and length of time necessary to prosecute the Action through trial;
   b. The uncertainty of outcome at trial and the possibility of an appeal by either side following the trial;
   c. The possibility that a contested class might not be certified, and if certified, the possibility that such certification would be reversed on appeal;
   d. The fact that CVS could file a motion for summary judgment that, if granted, could dispose of all or many of the claims in this Action; and
   e. The benefits being made available to the Settlement Class Members under the terms of this Agreement.

1.7 Weighing the above factors, as well as all other risks and uncertainties of continued litigation and all factors bearing on the merits of settlement, Representative Plaintiffs and Class Counsel are satisfied that the terms and conditions of this Settlement Agreement are fair, reasonable, adequate, and in the best interests of the Representative Plaintiffs and the Settlement Class Members.

1.8 CVS denies the material allegations made in the Class Action and denies any and all liability with respect to all facts and claims alleged therein, and further denies that any of the
Settlement Class Members, or anyone, has suffered any harm or damage or is entitled to any monetary or equitable relief in connection with the Action.

1.9 CVS, while continuing to expressly deny all allegations of wrongdoing and disclaiming all liability with respect to all claims, and while standing by its products and advertising, considers it desirable to resolve the Action on the terms stated herein in order to avoid further expense, risk, uncertainty, inconvenience and burden and, therefore, has determined that settlement on the terms set forth in this Settlement Agreement is in CVS’s best interests.

1.10 CVS and Representative Plaintiffs, on behalf of themselves and the other members of the Settlement Class, negotiated and reached this Settlement Agreement after review of the underlying facts, review of the Algal-900 DHA Product sales and financial data, analysis of the medical and scientific studies relative to the claims at issue, exchanges of information, and arm’s length, good faith negotiations. As a result, this Settlement Agreement has been reached, subject to the Court approval process set forth herein.

1.11 This Settlement Agreement reflects a compromise between the Parties. Without any admission or concession whatsoever on the part of CVS or Representative Plaintiffs concerning the merit of this Action or lack thereof, or any admission or concession of liability or wrongdoing or the lack of merit of any defense whatsoever by CVS, it is hereby stipulated and agreed by the undersigned, on behalf of Representative Plaintiffs, the Settlement Class, and CVS, that the Action and all claims of the Settlement Class be settled, compromised, and dismissed on the merits and with prejudice, subject to Court approval as required by Federal Rules of Civil Procedure 23, on the terms and conditions set forth herein and upon the Final Settlement Approval Date (as defined below).
1.12 Each of the Parties affirms that the recitals above are true and accurate as to such Party and are hereby made a part of this Settlement Agreement.

1.13 In consideration of the covenants and agreements set forth herein, and of the releases and dismissals of claims as described below, and other good and valuable consideration, the receipt and sufficiency of which hereby is acknowledged by each of the Parties, the Representative Plaintiffs, on behalf of themselves and the Settlement Class Members, and CVS, agree to the Settlement described herein, subject to Court approval, under the following terms and conditions:

**Proof of Purchase:** For those Class Members who provide a Proof of Purchase with their Claim they will be entitled to the following: (a) a full refund of the price paid by the Claimant for Algal-900 DHA for the Product, if the Claim Form is accompanied by a valid Proof of Purchase(s) indicating the actual price paid or (b) a refund based on the average retail price for the Algal-900 DHA Product set out in Exhibit G, if the Claim Form is accompanied by a valid Proof of Purchase that does not indicate the actual purchase price paid.
No Proof of Purchase, But Proof of ExtraCare Account:

For those Class Members who provide a CVS ExtraCare account number (or for whom the Claims Administrator can otherwise link to an ExtraCare account either through a phone number or other means), and the ExtraCare account is associated with a purchase of the Product, either in a CVS store or through an online purchase, a refund of the amount indicated in CVS’s records paid to the Class Member in the form of a credit to the purchaser’s ExtraCare account in the full amount paid for the Product.

No Proof of Purchase or ExtraCare Account, but Record of Online Purchase:

If a Claim Form is submitted without Proof of Purchase and the Claims Administrator cannot tie an ExtraCare account to the purchase but there exists a record of an online purchase at cvs.com, then the Claimant will receive a voucher toward the purchase of any CVS product, in the full amount of the purchase indicated in CVS’s records.

No Proof of Purchase or ExtraCare Account or Online Purchase:

For Claim Forms not accompanied by a Proof of Purchase and the Claims Administrator cannot tie an ExtraCare account or online record to the Purchase as described above, Defendant shall provide to any Class Member who submits a valid Claim Form to the Class Action Administrator, on or before the Claim Period Close Date, either the total (regardless of the number of purchases) of (a) $5.50 in cash value or (b) $7.00 in voucher value toward the purchase of any product sold at CVS. The form of compensation – cash or voucher, shall be the choice of the Claimant. No more than one claim per Claimant and two Claimants per household shall receive $5.50 in cash value and/or $7.00 in voucher value if they submit their Claim Forms without a valid Proof of Purchase.

The eligibility requirements for Claimants are described in further detail in Section 8 below.
3.2 Such cash and voucher compensation shall be disbursed after the Final Settlement Approval Date by the Claims Administrator and mailed to Claimants following the Final Settlement Approval Date, no later than 30 days after the later of: (i) the Final Settlement Approval Date; or (ii) the date the Claims Administrator approves a claim. No payment shall be made with respect to any claims that are denied in accordance with this Agreement.

**Injunctive Relief**

3.3 In a process that culminated in December 2015, before the filing of this action, CVS created new labels for the Algal-900 DHA Product and ceased receiving Algal-900 DHA with the old labels containing the Challenged Claims. CVS agrees not to make the Challenged Claims for a period of two years from the Final Settlement Approval Date.

**4. ATTORNEYS’ FEES, COSTS AND EXPENSES**

4.1 **Class Administration.** CVS shall pay the full costs and expenses of administering the Settlement.

4.2 **Attorneys’ Fees and Expenses.** Class Counsel will petition the Court for an award of reasonable attorneys’ fees and for their costs and expenses. Class Counsel agree that they will not seek more than a cumulative total of $447,000.00 in attorneys’ fees, costs and expenses.

4.3 The payment by CVS of attorneys’ fees and expenses is separate from and in addition to the cost of administration of the Settlement and the relief afforded the Settlement Class Members in this Agreement.

4.4 The Fee and Expense Award to Class shall be the total obligation of CVS to pay Class Counsel for attorneys’ fees and/or expenses of any kind (including, but not limited to, travel, filing fees, court reporter expenses, expert fees and costs, and document review and production costs).

4.5 The payment of Class Counsel’s fees shall be made to Reese LLP as agent for Class Counsel, in accordance with and delivery of wire instructions/routing information and tax I.D.
numbers provided by Reese LLP. CVS shall pay the Fee and Expense Award by wire transfer to Class Counsel within sixty (60) days after the later of the Final Settlement Approval Date and the delivery to CVS of all payment routing information and tax I.D. numbers for Class Counsel.

4.6 The Court’s award of any fees and expenses shall be separate from its determination of whether to approve this Agreement. In the event the Court approves the Settlement set forth in this Agreement but declines to award fees and expenses in the amount requested by Class Counsel, the Settlement will nevertheless be binding on the Parties. If the Court declines to approve the Settlement in this Agreement, the Fee and Expense Award shall not be paid, and no attorneys’ fees and expenses shall be paid.

4.7 If any subsequent court order or judgment renders the Fee and Expense Award unenforceable for any reason, or reduces the Fee and Expense Award for any reason, to the extent the Fee and Expense Award or a portion thereof has been paid by CVS already, Class Counsel shall reimburse CVS for such amounts already paid.

4.8 The Parties agree and confirm that they negotiated and reached agreement on the Class Counsel fees and expenses only after reaching agreement on all other material terms of this Agreement.

5. CLASS REPRESENTATIVE INCENTIVE AWARD

5.1 Class Counsel shall petition the Court for, and CVS shall not oppose, a Class Representative Incentive Award of no more than $2,500.00 to each of the Representative Plaintiffs (for a total of $5,000), in recognition of their multi-year efforts on behalf of the Settlement Class during the course of this hard-fought litigation. The Court’s award of any Class Representative Incentive Award shall be separate from its determination of whether to approve the Settlement as set forth in this Agreement. In the event the Court approves the Settlement, but it declines to award a Class Representative Incentive Award or awards a lesser amount than that requested by Class
Counsel, the Settlement will nevertheless be binding on the Parties. If the Court declines to approve the Settlement, no Class Representative Incentive Award shall be paid. CVS shall pay such awards by wire transfer to Reese LLP within sixty (60) days after the later of the Final Settlement Approval Date and the delivery to CVS of all payment routing information and tax I.D. number for each Representative Plaintiff. Payment by CVS of the Class Representative Incentive Award is separate from, and in addition to, the other relief afforded to the Settlement Class Members in this Agreement.

6.1 Cost of Notice. The Notice and Other Administrative Costs shall be paid in full by CVS.

6.2 Notice to State and Federal Officials. CVS shall file with the Court a certification listing all CAFA notices and stating the date(s) on which the CAFA notices were sent. CVS will provide Class Counsel with any substantive responses received in response to any CAFA notice served by CVS.

6.3 Class Settlement Notice. The Class Settlement Notice shall conform to all applicable requirements of the Federal Rules of Civil Procedure, the United States Constitution (including the Due Process Clauses), and any other applicable law, and shall otherwise be in the manner and form agreed upon by the Parties and approved by the Court.

g. Advise Settlement Class Members that the Court may change the time and place of the Fairness Hearing, which information would be posted on the Settlement Website;

h. State that any relief to Settlement Class Members is contingent on the Court’s final approval of the proposed settlement;

i. Direct Settlement Class Members to the Settlement Website where an electronic or printable version of the Claim Form shall be located;

b. Direct Notice. CVS or its designee, through the Claims Administrator, will cause the E-mail Notice, in the form approved by the Court, to be sent on or before the date specified in the Preliminary Approval Order, to each person identified as a potential Class Member, based on the Claims Administrator’s review of CVS’s records relating to Product purchases during the Class Period, for whom CVS possesses a valid email address. The E-mail Notice will include a hypertext link to the Settlement Website. If any E-mail Notices are returned as undeliverable, the Post-card Notice will be mailed by the Claims Administrator, if a physical address is available, to the last known physical/postal address that CVS has on file. If CVS has a physical/postal address for the potential Class Member on file but has no corresponding e-mail address for that potential Class Member, the Post-card Notice will be mailed by the Claims Administrator to the last known physical/postal address that CVS has on file in the first instance.

c. Website Notice. The Claims Administrator will establish a Settlement Website for the purposes of disseminating to Settlement Class Members the Class Settlement

The Claims Administrator shall establish the Settlement Website within 45 days of Preliminary Approval in this Action using a website name and format to be mutually agreed on by the Parties.

d. **In-store receipt Notice:** CVS will include a conspicuous notice on the printed customer receipt for every purchase made by an ExtraCare account holder for whom CVS’s records show a purchase of the Product during the Class Period. CVS will do this for a period of four months after an order granting Preliminary Approval is entered. The In-store receipt Notice will be prominent and set off by a row of asterisks above and below the notice. The In-store receipt Notice will inform Class members that if they purchased Algal-900 DHA they may be eligible for a credit and will direct them to the Settlement Website to determine eligibility.

7. **ADMINISTRATION OF SETTLEMENT**

7.1 **Responsibilities of Claims Administrator.** The Parties will retain one or more Claims Administrators (including subcontractors) to help implement the terms of the proposed Settlement Agreement. The Claims Administrator(s) will be responsible for administrative tasks, including, without limitation: (a) arranging, as set forth in the Notice Plan, for publication of the Short-form Notice, sending the E-mail Notice and Post-card Notice by mail as necessary, posting of the Settlement Class Notice (in the forms set forth in Exhibits B and C), and distribution of the Claim Forms (in the form set forth in Exhibit A) to Settlement Class Members; (b) handling returned mail not delivered to Settlement Class Members; (c) attempting to obtain updated address information for Settlement Class Members and for any Class Notices returned without a

All costs and expenses associated with the Claims Administrator, including among others, costs of providing notice to the Class Members and processing claims, shall be paid by CVS.

7.2 **General Claims Administration and Review of Claims.** The Claims Administrator will be responsible for reviewing and administering all claims to determine their validity. The Claims Administrator will reject any claim that does not comply in any material respect with the instructions on the Claim Form or the terms of this Agreement, or is submitted after the Claim Period Close Date.

7.3 **Claims Process.** The Claims Administrator will retain copies of all claims submitted and all documentation of claims approved or denied, and all payments, vouchers or credits. The Claims Administrator agrees to be subject to the direction and authority of the Court with respect to the administration of the Settlement and the payment of refunds, vouchers or credits for Accepted Claims pursuant to the terms of this Agreement. Upon determining that a claim submitted pursuant to this Agreement is valid and determining the cash, voucher or credit amount payable, the Claims Administrator will notify CVS and Class Counsel of that determination. CVS will have 30 days
following this notice to challenge the claim. CVS will be permitted to submit to the Claims Administrator, with a copy to Class Counsel, any information demonstrating that the submitted claim is not valid. The Claims Administrator may then contact the Settlement Class Member who submitted the claim to request any further information. The Claims Administrator will then make a final determination that is not challengeable by any Party.

7.4 Cash Benefit—Uncleared Checks. Those Settlement Class Members whose cash benefit checks or vouchers are not cleared within one hundred eighty (180) days after issuance shall be ineligible to receive a monetary settlement benefit and CVS shall have no further obligation to make any payment or provide any voucher pursuant to this Settlement Agreement or otherwise to such Settlement Class Members.

7.5 Performance Standards of Claims Administrator. The contract with the Claims Administrator shall obligate the Claims Administrator to abide by the following performance standards:

a. The Claims Administrator will accurately and neutrally describe, and will train and instruct its employees and agents to accurately and objectively describe, the provisions of this Settlement Agreement in communications with Settlement Class Members;

b. The Claims Administrator will provide prompt, accurate and objective responses to inquiries from Class Counsel or their designee, Defendant and/or Defendant’s Counsel, and will periodically report on claims, objectors, etc., to them.

8. ELIGIBILITY OF CLASS CLAIMANT FOR RELIEF

8.1 Eligibility. To be eligible to receive relief under this Agreement, Settlement Class Members must submit a claim to the Claims Administrator by completing the online Claim Form on the Settlement Website or completing and mailing the Claim Form to the Claims Administrator.
The Claim Form must be submitted online or postmarked no later than the Claim Period Close Date. Claim Forms submitted or postmarked after the Claim Period Close Date will be denied by the Claims Administrator and CVS will not be obligated to make any payment on such claims.

8.2 **Validity of Claim Forms.** No Claim Form will be deemed valid unless it is completed in satisfaction of the terms of the Claim Form, is signed in hard copy or in online form by the Settlement Class Member, and is postmarked or submitted on or before the Claim Period Close Date.

8.3 **Proof of Claim.** Proof of claim for cash compensation, Extra Care account credit or for a CVS voucher must be submitted as follows:

a. For a Claimant making a claim for the full cash refund of the purchase of the Product, Claimant must provide a Proof of Purchase indicating the actual price paid for the Product, along with a valid and completed Claim Form. There is no limit to the number of claims that a Claimant may make if he or she provides a Proof of Purchase for each claim.

b. For a Claimant making a claim for a cash refund of the purchase of the Product in accordance with Exhibit G (average retail price), Claimant must provide a Proof of Purchase along with a valid and completed Claim Form. There is no limit to the number of claims that a Claimant may make if he or she provides a Proof of Purchase for each claim.

c. If a Claimant does not provide Proof of Purchase, and CVS’s records indicate the Claimant purchased the Product using an Extra Care account, then CVS will issue a full credit to the Claimant’s Extra Care account in the amount of the purchase(s) indicated in CVS’s records.
d. If a Claimant does not provide Proof of Purchase and CVS’s records indicate the Claimant purchased the Product online through cvs.com without an associated Extra Care account, then CVS will issue a voucher to the Claimant in the amount of the online purchase(s) indicated in CVS’s records.

e. For a Claimant who does not have Proof of Purchase and who is making a claim for either (i) $5.50 in cash (payable via check), or (ii) a $7.00 voucher toward the purchase of any product sold at CVS, Claimant must submit: (a) a completed Claim Form, either electronically online on the Settlement Website or in hard copy and mailed to the Claims Administrator, confirming (i) the Product purchased and (ii) that the purchase was made within the Class Period. A maximum number of one (1) claim, submitted on a single Claim Form, may be submitted by each Settlement Class Member under this subsection. A maximum number of two (2) claims may be submitted per each Settlement Class Member’s household under this subsection.

8.4 Review by Claims Administrator. The Claims Administrator will review all submitted Claim Forms within a reasonable time to determine each Settlement Class Member’s eligibility for relief, and the amount of such relief, if any. Copies of submitted Claim Forms will be provided to CVS’s Counsel and to Class Counsel on request. Settlement Class Members submitting valid Claim Forms will be entitled to relief as set forth in this Agreement. Settlement Class Members who submit Claim Forms that are not eligible for relief based on the criteria set forth in this Agreement will not be entitled to relief.

8.5 Incomplete Claims Forms. Submitted Claim Forms containing inaccurate or disqualifying information, and/or submitted Claims Forms omitting required information will be returned by the Claims Administrator via first class mail to the Settlement Class Member’s address indicated on
the Claim Form as part of a Notice of Missing Information. Settlement Class Members whose Claim Forms are returned will have until the Claim Period Close Date, or 30 calendar days from when the Notice of Missing Information was mailed, whichever is later, to reply to the Notice of Missing Information and provide a revised Claim Form that includes all required information. If a Settlement Class Member fails to respond by the Claim Period Close Date or within 30 calendar days from when the Notice of Missing Information was mailed, whichever is later, or the Claims Administrator is unable to return the Submitted Claim Form as a result of the omitted information, the Claims Administrator will reject such Settlement Class Member’s claim, and CVS will not be obligated to make any payment on such claim.

9. EXCLUSIONS AND OBJECTIONS

9.1 Exclusions and Objections. Settlement Class Members will have the right to appear and present objections as to any reasons why the terms of this Agreement should not be given Final Approval. Any Objection must be in writing and filed with the Court, with a copy delivered to Class Counsel and Defense Counsel at the addresses set forth in the Class Settlement Notice, no later than the Objection/Exclusion Deadline.

9.2 Objections. Any Objection regarding or related to the Agreement should identify the name of the lawsuit, *Worth v. CVS Pharmacy, Inc.*, Case No. 16-cv-00498, and also should contain information sufficient to identify and contact the objecting Settlement Class Member – including the Class Member’s name, current address, and telephone number, and the name, address, and telephone number of the Class Member’s lawyer, if the Class Member is objecting through counsel. The Objection should also contain a clear and concise statement of the Settlement Class Member’s objections, and the reasons for each. The Objection should be accompanied by documents sufficient to establish the basis for the Settlement Class Member’s standing (i.e., verification as to the date and location of their purchase of the Product or a Proof of Purchase...
reflecting such purchase). The Objection should also include a list of any documents the Class Member plans to submit to the Court for consideration; a list of legal authorities for the Court’s consideration; and the names and addresses of any witness the Class Member wants to call to testify. The Objection should also include a statement indicating whether the Class Member, or the Class Member’s lawyer, will appear and speak at the Fairness Hearing. Finally, the Objection should include the Class Member’s signature, or his/her attorney’s signature. The Objection must be filed with the Court and should also be served upon CVS’s Counsel and Class Counsel so that such papers are actually received by them by the date specified in the Class Settlement Notice. Notwithstanding the foregoing, the decision as to whether a Settlement Class Member has made a valid objection to the settlement is one for the Court.

9.3 Appearance at Hearing. Class Member will be entitled to be heard at the Fairness Hearing (whether individually or through separate counsel) or to object to the Agreement, and no written objections or briefs submitted by any Settlement Class Member will be received or considered by the Court at the Fairness Hearing, unless written notice of the Settlement Class Member’s intention to appear at the Fairness Hearing, and copies of any written Objections or briefs, have been filed with the Court and served on counsel for the Parties on or before the Objection/Exclusion Deadline, as instructed in the Settlement Notice. The Class Member’s notice of appearance should contain: (1) the title of the lawsuit, Worth v. CVS Pharmacy, Inc., Case No. 16-cv-00498; (2) a statement that the Class Member wishes to appear at the Fairness Hearing; (3) a statement that the Class Member or his/her lawyer would like to speak at the Court’s Fairness Hearing; and (4) the Class Member’s signature or the Class Member’s lawyer’s signature. Notwithstanding the foregoing, the determination of whether a Settlement Class Member may be heard at the Fairness Hearing is one for the Court.
9.4 Right to Respond to Objections. Class Counsel and CVS will have the right to respond to objections, if any, prior to the Fairness Hearing.

9.5 Requesting Exclusion/“Opt Out.” Any Settlement Class Member who does not wish to be a member of the Class or participate in this Settlement must submit a Request for Exclusion to the Claims Administrator stating an intention to be “excluded” from this Settlement. The Request for Exclusion must contain the name of the Action, Worth v. CVS Pharmacy, Inc., Case No. 16-cv-00498, and must also contain the Settlement Class Member’s name, current address, and telephone number. The Request for Exclusion must also contain a clear statement of the Class Member’s intent to exclude him or herself, such as “I wish to be excluded from the Class.” The Request for Exclusion must be either (i) personally signed by the Settlement Class Member, dated and mailed to the Claims Administrator and postmarked on or before the Objection/Exclusion Deadline, or (ii) electronically signed by the Settlement Class Member, and submitted to the Claims Administrator through the Settlement Website on or before the Objection/Exclusion Deadline. So-called “mass” or “class” opt-outs will not be allowed. The date of the postmark on the return mailing envelope and/or the date of online submission through the Settlement Website will be the exclusive means used to determine whether a Request for Exclusion has been timely submitted. Any Settlement Class Member whose request to be excluded from the Settlement Class is approved by the Court will not be bound by this Settlement Agreement or have any right to object, appeal or comment thereon.

9.6 Settlement Class Members who fail to submit a valid and timely Request for Exclusion on or before the Objection/Exclusion Deadline will be bound, to the extent allowed by law, by all terms of the Settlement Agreement and any Judgment entered in the Action if the Settlement
Agreement is approved by the Court, regardless of whether they have requested exclusion from the Class.

9.7 No Solicitation of Objections or Exclusions. The Parties and their counsel agree to use their best efforts to carry out this Agreement. At no time shall any of the Parties or their counsel seek to solicit or otherwise encourage any Party or Settlement Class Member to submit written objections to this Agreement or appeal from the Court’s judgment/Final Approval.

10. CLASS SETTLEMENT PROCEDURES

10.1 Preliminary Approval of Settlement. As soon as reasonably practicable after the signing of this Settlement Agreement, Representative Plaintiffs will file with this Court a Motion for a Conditional Class Certification and Preliminary Approval of Class Settlement Order (an Order substantially in the form as that attached hereto as Exhibit E), which, in accordance with the terms of this Settlement Agreement, for settlement purposes only, would:

a. Conditionally certify the Settlement Class;

b. Preliminarily approve the terms and conditions of this Settlement Agreement as fair, reasonable and adequate and in the best interests of the Settlement Class Members;

c. Approve and authorize the Notice Plan and the Class Settlement Notice to the Settlement Class Members;

d. Approve the Claims Administrator;

e. Appoint Representative Plaintiffs and Class Counsel; and

f. Set a Fairness Hearing.

10.2 Stay of the Action. The Parties will request that the Court, in connection with Preliminary Approval, issue an immediate stay of the Action. Following Preliminary Approval, all activity in the Action will be stayed except to the extent necessary to effectuate this Agreement, and then
until this Agreement is terminated pursuant to its terms and conditions. Plaintiffs and/or Defendant will also request that any related actions be stayed by the courts where any such actions may be pending.

10.3 **Provision of Preliminary Approval Motion Papers.** Representative Plaintiffs will provide a draft of all papers supporting the Conditional Class Certification and Preliminary Approval of Class Settlement Motion to CVS’s Counsel for review at least seven (7) calendar days before the Motion is filed or due to be filed.

10.4 **Final Approval of Settlement.** At or before the Fairness Hearing, Representative Plaintiffs will move for entry of a Settlement Order and Judgment. Class Counsel will petition the Court for a Settlement Order and Judgment that: (1) confirms the certification of the Settlement Class as defined above; (2) dismisses this Action, with prejudice, on the Final Settlement Approval Date; (3) decrees that neither the Final Approval nor this Agreement constitutes an admission of liability, fault or wrongdoing; (4) releases the Released Parties from the Released Claims of the Releasing Parties; (5) finds that this Agreement is entered into in good faith, is reasonable, fair and adequate, and is in the best interest of the Settlement Class Members who have not excluded themselves; (6) orders that the Settlement relief be provided as set forth in this Settlement Agreement, and (7) makes such other orders as are necessary and appropriate to effectuate the terms and conditions of this Agreement.

10.5 **Fairness Hearing.** The Court will conduct a Fairness Hearing so that the Court may review any Objections to this Agreement, consider the fairness, reasonableness and adequacy of this Agreement and consider the petition for Final Approval and Class Counsel’s Application for a Fee and Expense Award. The date of the Fairness Hearing will be posted on the Settlement Website in advance of the hearing. If the date of the Fairness Hearing is subsequently modified by the Court,
no further notice is required to be published to Settlement Class Members, except that the Parties will notify any Settlement Class Member who has filed a timely Objection in writing of any change to the date of the Fairness Hearing.

10.6 Dismissal of this Action. The Final Approval will provide that this Action is dismissed, with prejudice, on the Final Settlement Approval Date.

11. TERMINATION

11.1 Effect if Settlement Not Approved. This Settlement Agreement was entered into only for purposes of settlement, subject to and without waiver of the Parties’ respective rights. In the event that the Court fails to enter an order granting Preliminary Approval or fails to grant Final Approval, or in the event the Final Settlement Approval Date does not occur, Class Counsel and Defendant’s Counsel will endeavor, consistent with the Settlement Agreement, to cure any defect identified by the Court. In the event that the Settlement Agreement is terminated for any reason, Final Approval does not occur for any reason, or the Final Settlement Approval Date does not occur, then no term or condition of the Settlement Agreement, or any draft thereof, or any discussion, negotiation, documentation, or other part or aspect of the Parties’ settlement discussions shall have any effect, nor shall any such matter be admissible in evidence for any purpose in the Action, or in any other proceeding; and the Parties will be restored to their respective positions immediately preceding execution of this Settlement Agreement, including with regard to any agreements concerning tolling and similar agreements. The Parties agree that all drafts, discussions, negotiations, documentation or other information prepared in relation to the Settlement Agreement and the Parties’ settlement discussions will be treated as strictly confidential and may not be disclosed to any person other than the Parties’ counsel, and only for purposes of the Action, absent a court order. CVS’s rights with respect to class certification expressly are reserved and preserved.
11.2 **Party Status upon Termination.** In the event the Agreement is terminated in accordance herewith, vacated, or fails to become effective for any reason, then the Parties to this Agreement will be deemed to have reverted to their respective status in the Action as of the date of this Agreement and, except as otherwise expressly provided, the Parties will proceed in all respects as if this Agreement and any related orders had not been entered.

12. **RELEASES**

12.1 **Release by Settlement Class Members.** Effective as of the Final Settlement Approval Date, all Releasing Parties shall release and forever discharge, and shall be forever be barred from asserting, instituting or maintaining against any or all of the Released Persons or Released Parties, any and all of the Released Claims.

12.2 **Additional Releases.** Except as to the rights and obligations provided for under this Agreement, CVS releases and forever discharges as of the Effective Date the Representative Plaintiffs, Settlement Class, and Settlement Class Counsel from any and all rights, duties, obligations, claims, actions, causes of action, or liabilities, whether arising under local, state, or federal law, whether by statute, contract, common law, or equity, whether known or unknown, suspected or unsuspected, asserted or unasserted, foreseen or unforeseen, actual or contingent, liquidated or unliquidated, which the Released Parties may now have, own or hold or which the Released Parties at any time may have, own, or hold, against the Representative Plaintiffs, Settlement Class, or Settlement Class Counsel arising out of the Action and/or the Settlement.

12.3 **Effectuation of Settlement.** None of the above releases includes releases of claims or otherwise affects rights to enforce the terms of the Settlement Agreement.

12.4 **No Admission of Liability.** This Settlement Agreement reflects, among other things, the compromise and settlement of disputed claims among the Parties, and neither this Settlement Agreement nor the releases given herein, nor any consideration therefor, nor any actions taken to
carry out this Settlement Agreement, are intended to be, nor may they be deemed or construed to be, an admission or concession of liability, or the validity of any claim, defense, or of any point of fact or law on the part of any Party. CVS denies the material allegations of the complaint filed in this Action. Neither this Settlement Agreement, nor the fact of settlement, nor the settlement proceedings, nor the settlement negotiations, nor any related document, shall be used as an admission of any fault or omission by any or all of the Released Persons, or be offered or received in evidence as an admission, concession, presumption or inference of any wrongdoing by any or all of the Released Persons in any proceeding, other than such proceedings as may be necessary to consummate, interpret or enforce this Settlement Agreement.

13. CERTIFICATION OF THE SETTLEMENT CLASS

13.1 Certification of Settlement Class for Settlement Purposes. The Parties agree, for settlement purposes only, that this Action shall be certified and proceed as a class action under Federal Rules of Civil Procedure 23(b)(2) and 23(b)(3), with a class consisting of all Settlement Class Members, and with the named Plaintiffs as Representative Plaintiffs and Plaintiffs’ Counsel as counsel for the Settlement Class Members. Any certification of a conditional, preliminary or final settlement class pursuant to the terms of this Settlement shall not constitute, and shall not be construed as, an admission on the part of CVS that this Action, or any other proposed or certified class action, is appropriate for class treatment for any other purpose pursuant to Federal Rule of Civil Procedure 23 or any similar state or federal class action statute or rule. This Settlement Agreement will be without prejudice to the rights of CVS to: (a) move to dismiss or stay this Action on any applicable basis; (b) oppose final certification in this Action should this Settlement Agreement not be approved or implemented for any reason; or (c) oppose certification in any other proposed or certified class action. Neither the fact of this settlement nor this Settlement Agreement shall be
used in connection with efforts in any proceeding to seek certification of any claims asserted against CVS.

13.2 This Agreement, whether or not consummated, and any communications exchanged or actions taken pursuant to or during the negotiation of this Agreement are for settlement purposes only. Neither the fact of nor the contents of this Agreement or its exhibits, nor any communications exchanged nor actions taken pursuant to or during the negotiation of this Agreement, constitute, be construed as, or be admissible in evidence as an admission of the validity of any claim asserted or fact alleged in this Action or of any wrongdoing, fault, violation of law or liability of any kind on the part of CVS.

13.3 This Agreement and all negotiations, correspondence and communications leading up to its execution will be deemed to be within the protection of Federal Rule of Evidence 408 and any analogous state or federal rules or principles. Neither this Agreement, nor any terms, conditions, contents or provisions hereof or exhibits hereto, nor any negotiations, correspondence or communications leading up to the execution of this Agreement, will constitute a precedent or be admissible for any purpose in any proceeding; provided, however, that this Agreement will be admissible in any proceeding related to the approval of this Agreement, to enforce any of its terms and conditions, to support or defend this Agreement in an appeal from an order granting or denying Final Approval, or to enforce or assert a claim or defense of res judicata, collateral estoppel, claim preclusion, issue preclusion, settlement, release, merger and bar, or any similar claim or defense against the Representative Plaintiffs, any Settlement Class Member, or any third party.

14. MISCELLANEOUS PROVISIONS

14.1 Reasonable Efforts. Subject to the other terms and conditions of this Settlement Agreement, the Parties and their respective counsel will use reasonable efforts to cause the Court to give Preliminary Approval to this Settlement Agreement as promptly as practicable, to take all
steps contemplated by this Settlement Agreement that are necessary (by order of the Court or otherwise) to effectuate the Settlement on the stated terms and conditions (including giving due consideration to any changes to the Settlement Agreement that the Court might suggest) and to obtain Final Approval of this Settlement Agreement and achieve a Final Settlement Approval Date.

14.2 **Time for Compliance.** If the date for performance of any act required by or under this Settlement Agreement falls on a Saturday, Sunday or court holiday, that act may be performed on the next business day with the same effect as if it had been performed on the day or within the period of time specified by or under this Settlement Agreement.

14.3 **Governing Law.** This Settlement Agreement is intended to and will be governed by the laws of the State of New York without giving effect to principles of conflicts of laws.

14.4 **Entire Agreement.** The terms and conditions set forth in this Settlement Agreement constitute the complete and exclusive statement of the agreement between the Parties relating to the subject matter of this Settlement Agreement, superseding all previous negotiations and understandings, and may not be contradicted by evidence of any prior or contemporaneous agreement. The Parties further intend that this Settlement Agreement constitutes the complete and exclusive statement of its terms as between the Parties, and that no extrinsic evidence whatsoever may be introduced in any agency or judicial proceeding, if any, involving this Settlement Agreement.

14.5 **Amendment or Modification.** This Agreement may not be changed, modified, or amended except in writing signed by all Parties (or their successors-in-interest) and approved by the Court. Notwithstanding the foregoing, amendments and modifications may be made without additional notice to the Class Members unless such notice is required by the Court. Moreover, the claims process set forth above may be modified by mutual agreement of the Parties without Court
approval and the Parties may agree to reasonable extensions of time in which to accomplish the
tasks required by the terms and conditions of this Agreement, which shall not be unreasonably
withheld.

14.6 Advice of Counsel. The determination of the terms and the drafting of this Settlement
Agreement have been by mutual agreement after negotiation, with consideration by and
participation of all Parties and their counsel.

14.7 Binding Agreement. This Settlement Agreement shall be binding on and inure to the
benefit of the respective heirs, successors and assigns of the Parties, the Settlement Class Members
and the other Released Persons.

14.8 No Waiver. The waiver by any Party of any provision or breach of this Settlement
Agreement will not be deemed a waiver of any other provision or breach of this Settlement
Agreement.

14.9 Assignment of Claims. The Parties warrant and represent that no claim or any portion of
any claim referenced or released in this Agreement has been sold, assigned, conveyed, or otherwise
transferred to any other entity or Person.

14.10 Execution in Counterparts. This Settlement Agreement will become effective on the last
day of execution by all of the undersigned. The Parties may execute this Settlement Agreement in
counterparts, and execution of counterparts will have the same force and effect as if all Parties had
signed the same instrument. The Parties further agree that signatures provided by .pdf or other
electronic transmission will have the same force and effect as original signatures.

14.11 Authority. The undersigned counsel represent that they are fully authorized to execute and
enter into the terms and conditions of this Stipulation on behalf of their respective clients.
14.12 **Publicity.** The Parties will limit public comment on the Settlement to the fact that there has been an amicable settlement, and in doing so may refer to the Settlement Agreement, Settlement Website, Notices, or may otherwise refer to and make representations in accordance with the Notice Plan.

14.13 **Time Periods.** The time periods and/or dates described in this Settlement Agreement with respect to the giving of notices and hearings are subject to approval and change by the Court or by the written agreement of Class Counsel and Defendant’s Counsel, without notice to Settlement Class Members. The Parties reserve the right, by agreement and subject to the Court’s approval, to grant any reasonable extension of time that might be needed to carry out any of the provisions of this Settlement Agreement.

14.14 **Enforcement of this Settlement Agreement.** The Court approving this Settlement will retain jurisdiction, and will have exclusive jurisdiction, to enforce, interpret and implement this Settlement Agreement, including any alleged violation of the paragraphs above, and the terms of any order entered pursuant to this Settlement Agreement.

BASIC INFORMATION

1. Why did I get this Notice?

The Court ordered that you be given this Notice because you have a right to know about a proposed settlement of this class action lawsuit, and about your options, before the Court decides whether to approve the Settlement. If the Court approves it, and after objections and appeals are resolved, an administrator approved by the Court will oversee the distribution of the benefits that the Settlement allows.

This Notice explains the lawsuit, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

Judge Frederic Block of the United States District Court for Eastern District of New York is overseeing this class action. The case is known as Worth v. CVS Pharmacy, Inc., case no. 16-cv-498 (E.D.N.Y.). The people who sued are called the Plaintiff(s), and the company they sued, CVS Pharmacy, Inc., is called the Defendant.

2. What is this lawsuit about?

The lawsuit alleges that CVS misrepresented the effectiveness of its Algal-900 DHA dietary supplement, which contained docosahexaenoic acid (DHA) algal oil, by claiming it was “clinically shown to improve memory” or “clinically shown memory improvement” on the label or packaging. The lawsuit also alleges that CVS violated consumer protection laws, committed fraud, and unfairly profited from the sale of these products.

CVS denies it did anything wrong, denies all allegations of wrongdoing or liability against it, and contends that its conduct was lawful.

3. What is a class action?

In a class action, one or more people called Class Representatives (in this case, Jeff Worth and Robert Burns) sue on behalf other people with similar claims and represent them in the lawsuit. All of these people are called a Class or Class Members. One court resolves the issues for all Class Members—except for those who choose to exclude themselves from the Class.

4. Why is there a proposed Settlement?

The Court in charge of this case has not decided in favor of either side. Instead, CVS has chosen to provide its customers with refunds, cash payments, ExtraCare account credits, and vouchers to avoid the expense, inconvenience, and inherent risk of litigation, as well as the related disruption of its business operations. The Class Representatives and their attorneys believe the proposed Settlement is in the best interests of the Class.
WHO IS INCLUDED IN THE PROPOSED SETTLEMENT

5. How do I know if I am part of the proposed Settlement?

You are a Class Member if, between November 15, 2008 and September 30, 2016, you purchased any CVS-branded Algal-900 DHA dietary supplements containing “clinically shown to improve memory” or “clinically shown memory improvement”, on the label and/or packaging.

6. Are there exceptions to being included in the proposed Settlement?

Yes. The Class does not include: CVS and its parents, past and present, subsidiaries, divisions, affiliates, assignors, predecessors, successors and assigns; the past or present partners, shareholders, managers, members, directors, officers, employees, agents, attorneys, insurers, accountants and representatives of any and all of the foregoing entities; any government entities; and persons who purchased CVS Algal-900 DHA Products for the purpose of resale.

THE PROPOSED SETTLEMENT BENEFITS – WHAT YOU GET IF YOU QUALIFY

7. What does the proposed Settlement provide?

The proposed Settlement provides refunds, cash payments, ExtraCare account credits, and vouchers to eligible Class Members who submit a valid Claim Form. Refund and payment amounts will depend on the purchase price paid for CVS Algal-900 DHA Products; whether and what type of proof of purchase (such as a register receipt, cancelled check or product package) illustrating the purchase of, or price paid for, CVS Algal-900 DHA Products (“Proof of Purchase”) is submitted with the Claim Form; and/or whether CVS records indicate that the Class Member purchased the Product. Vouchers and ExtraCare account credits may be used toward the purchase of any product sold at CVS.

In addition, CVS will pay for Notice to the Class and administration costs of the Settlement, as well as a $2,500 Incentive Award each to the Class Representatives.

8. How much will my Settlement benefit be?

Refunds, cash payments, ExtraCare account credits and voucher amounts will vary based on the purchase price paid for CVS Algal-900 DHA Products, whether and what type of Proof of Purchase you provide with your Claim Form, and/or whether CVS records indicate you purchased the Product.

- If you include Proof of Purchase that shows the actual price paid for the CVS Algal-900 DHA Product with your Claim Form, you will receive a full refund cash payment of the price you paid to purchase CVS Algal-900 DHA Products.

- If you include Proof of Purchase such as a product package that shows only the purchase of CVS Algal-900 DHA Products but not the actual price you paid with your Claim Form you will receive a cash payment of the average retail price of CVS Algal-900 DHA Products.
• If you submit a Claim Form without any Proof of Purchase, but CVS’s records indicate you purchased CVS Algal-900 DHA Products using an ExtraCare account, you will receive a credit to your ExtraCare account in the amount of your purchase(s) of CVS Algal-900 DHA Products as indicated in CVS’s records.

• If you submit a Claim Form without any Proof of Purchase, but CVS’s records indicate you purchased CVS Algal-900 DHA Products online through cvs.com and there is no ExtraCare account associated with your purchase, you will receive a voucher toward the purchase of any product sold at CVS, in the amount of your purchase(s) of CVS Algal-900 DHA Products as indicated in CVS’s records.

• If you Submit a Claim Form without any Proof of Purchase and CVS does not have any record that you purchased CVS Algal-900 DHA Products, you have the option of receiving a maximum of $5.50 in cash or a $7.00 in voucher toward the purchase of any product sold at CVS. One claim per person and two claims per household will be accepted without Proof of Purchase.

9. What rights am I giving up to receive a refund, cash payment, ExtraCare account credit, or voucher and stay in the Class?

Unless you exclude yourself, you are staying in the Class. If the proposed Settlement is approved and becomes final, all of the Court’s orders will apply to you and legally bind you. You won’t be able to sue, continue to sue, or be part of any other lawsuit against CVS about the legal issues in this case, but you will be able to submit a Claim Form to receive a refund, cash payment, ExtraCare account credit, or voucher from this Settlement. The rights you are giving up are called Released Claims.

10. What are the Released Claims?

Generally, if and when the proposed Settlement becomes final, Class Members will permanently release CVS, Lang Pharma Nutrition, Inc., and DSM Nutritional Products, LLC, and all of their past and present respective parents, subsidiaries, divisions, affiliates, persons and entities directly or indirectly under its or their control in the past or in the present, their respective assignors, predecessors, successors and assigns; and the past or present partners, shareholders, managers, members, directors, officers, employees, agents, attorneys, insurers, accountants and representatives (the “Released Parties”) of any and all claims, cross-claims, liability, rights, demands, suits, matters, obligation, damage, restitution, disgorgement, loss or cost, attorneys’ fee or expense, action or cause of action, of every kind that you or your spouse, parent, child, heir, guardian, associate, co-owner, attorney, agent, administrator, devisee, predecessor, successor, assignee, representative of any kind, shareholder, partner, director, employee, or affiliate had or has, including assigned claims, whether in arbitration, administrative, or judicial proceedings, whether as individual claims or as claims asserted on a class basis or on behalf of the general public, whether known or unknown, asserted or unasserted, suspected or unsuspected, latent or patent that is, has been, could reasonably have been or in the future might reasonably be asserted
in this class action arising out of or relating to the allegations in the complaints filed in this class action.

The specific claims you will be releasing are described in sections 2.35–2.37 and 12 of the Stipulation of Settlement, available at www.cvsdhasettlement.com.

HOW YOU GET SETTLEMENT BENEFITS—SUBMITTING A CLAIM FORM

11. How do I get a refund, cash payment, ExtraCare account credit, or voucher from the proposed Settlement?

You must complete and submit a Claim Form by [__________, _____] 2019. If you did not receive a Claim Form in the mail or by email, you may get one from www.cvsdhasettlement.com, by calling 1-888-283-6979, or by writing to CVS DHA Settlements Claims Administrator, P.O. 12. When will I receive my refund, cash payment, ExtraCare account credit, or voucher?

The Court will hold a Fairness Hearing on ___, 2019 to decide whether to grant final approval to the Settlement. If the Court approves the Settlement, there may be appeals. It is always uncertain whether appeals will be filed and, if so, how long it will take to resolve them. Settlement benefits will be issued to Class Members who submit valid Claim Forms within 30 days after the Settlement Order and Judgment becomes final (“Final Settlement Approval Date”); or the date a claim is approved, whichever comes later.

EXCLUDING YOURSELF FROM THE PROPOSED SETTLEMENT

If you do not want to receive benefits from the proposed Settlement, but you want to keep the right to sue CVS, on your own, about the legal claims made in this lawsuit and released by the proposed Settlement, then you must take steps to get out of the Settlement. This is called excluding yourself or is sometimes referred to as “opting out” of the Class.

To exclude yourself from the proposed Settlement, you must send a letter by mail or submit a form through the Settlement website. Your request for exclusion must contain: (1) the name of this lawsuit, *Worth v. CVS Pharmacy, Inc.*, Case Number 2:16-cv-498; (2) your full name, current address and telephone number; (3) a clear statement of your intention to exclude yourself such as “I wish to be excluded from the Class”; and (4) your signature.

Your written request for exclusion must be mailed so that is postmarked no later than [_______, _____] 2019 addressed to: CVS DHA Settlements Claims Administrator, P.O. Box 40007, College Station, TX 77842-4007, or submitted online at www.cvsdhasettlement.com no later than _____, 2019. You cannot exclude yourself on the phone or by e-mail.
13. If I exclude myself, can I still get a refund, cash payment, ExtraCare account credit or voucher from the proposed Settlement?

No. If you exclude yourself, you are telling the Court that you do not want to be part of this proposed Settlement. You can only get a refund, cash payment, ExtraCare account credit, or voucher if you stay in the Class and submit a valid Claim Form.

14. If I do not exclude myself, can I sue CVS for the same things later?

No. Unless you exclude yourself, you are giving up the right to sue CVS and the Released Parties for the claims that this proposed Settlement resolves. If you have a pending lawsuit against CVS or the Released Parties for the same claims made in this lawsuit or released by this proposed Settlement, speak to your lawyer in that lawsuit immediately. You must exclude yourself from this Class to continue with your own lawsuit.

OBJECTING TO THE PROPOSED SETTLEMENT

You can tell the Court that you do not agree with the proposed Settlement or some part of it.

15. How do I tell the Court that I don’t like the proposed Settlement?

If you are a Class Member, you can object to the proposed Settlement if you do not like any part of it. You can give reasons why you think the Court should not approve it. The Court will consider your views. To object, you must send a letter containing: (1) your name, current address and telephone number; (2) the name, address and telephone number of your lawyer if you are objecting through counsel; (3) the name of the lawsuit, Worth v. CVS Pharmacy, Inc., Case Number 16-cv-00498; (4) proof of your membership in the Settlement Class (such as verification under oath as to the date and location of purchase of a CVS Algal-900 DHA Product, or Proof of Purchase); (5) a statement of your objections and the reasons for each; (6) a list of any documents you plan to give to the Court to support your objection, if any; (7) a list of legal authorities you want the Court to consider; (8) the names and addresses of any witness you want to call to testify; (9) a statement indicating whether you (or your lawyer) want to appear and speak at the Fairness Hearing; and (10) your signature (or your lawyer’s signature).

Your signed objection must be mailed with any supporting documents, and filed with the Court and received by Counsel for the Class and Counsel for Defendant CVS by [_____________, ____] 2019 at the following addresses:

Clerk of Court
United States District Court
Eastern District of New York
225 Cadman Plaza East
Brooklyn, NY 11201
16. What’s the difference between objecting and asking to be excluded?

Objecting is simply telling the Court you do not like something about the proposed Settlement. You can object only if you stay in the Class (that is, do not exclude yourself). Excluding yourself is telling the Court you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

**APPEARING AT THE FAIRNESS HEARING ABOUT THE PROPOSED SETTLEMENT**

17. May I appear or speak at the Fairness Hearing in this lawsuit and proposed Settlement?

Yes, as long as you remain a Class Member (do not exclude yourself), you or your lawyer may appear and speak in this lawsuit and proposed Settlement. To do so, you must file a written “Notice of Appearance” with the Court. Your Notice of Appearance must contain: (1) the title of the lawsuit (*Worth v. CVS Pharmacy, Inc.*, Case Number 16-cv-00498); (2) a statement that you wish to appear
at the Fairness Hearing; (3) a statement that you or your lawyer would like to speak at the Court’s Fairness Hearing; and (4) your signature or your lawyer’s signature.

Your Notice of Appearance must be signed, mailed, and filed with the Court and received by Counsel for the Class and Counsel for Defendant CVS by [__________, _____] 2019 at the addresses listed in Question 16.

IF YOU DO NOTHING

18. What happens if I do nothing at all?

If you do nothing, you will not get a refund, cash payment, ExtraCare account credit, or voucher from the proposed Settlement, and you will be bound by all of the Court’s orders and judgments in this case. In addition, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against CVS and the Released Parties about the legal claims made in this lawsuit and resolved by this proposed Settlement, ever again.

THE LAWYERS REPRESENTING YOU

19. Do I have a lawyer in this Case?

Yes, the Court has appointed Reese LLP; Kaplan Fox & Kilsheimer, LLP; Mehri & Skalet, PLLC; and The Center For Science In The Public Interest to act as legal counsel for the Class. These law firms are called Class Counsel. You will not be personally charged for these lawyers. You may hire your own lawyer at your own expense to represent you in this case, but you do not have to.

20. How will the lawyers be paid?

When Class Counsel asks the Court to approve the proposed Settlement, they will also ask the Court for an award of attorneys’ fees, costs and reimbursement of expenses of up to $447,000.00. Class Counsel have agreed to a split of these fees, after reimbursement of their costs, as follows: KAPLAN FOX & KILSHEIMER, LLP: 11%; REESE LLP: 30%; MEHRI & SKALET, PLLC: 30%; and CENTER FOR SCIENCE IN THE PUBLIC INTEREST: 29%.

If the Court grants Class Counsel’s request, CVS will separately pay those fees, costs and expenses. This amount will not reduce the amount of refunds, cash payments, ExtraCare account credit or vouchers that will be made available to Class Members who submit valid Claim Forms.

THE COURT’S FAIRNESS HEARING

The Court will hold a hearing to decide whether to approve the proposed Settlement. You may attend and you may ask to speak, but you do not have to attend or speak.

21. When and where will the Court decide whether to approve the proposed Settlement?

The United States District Court for the Eastern District of New York will hold a Fairness Hearing at the Federal Courthouse located at 225 Cadman Plaza East, Brooklyn, New York, 11201, on [____ 2019] to decide whether the proposed Settlement is fair, reasonable, and adequate and to determine the amount of attorneys’ fees and costs and Class Representative Incentive Award. If there are
objections, the Court will consider them. After the hearing, the Court will decide whether to approve the proposed Settlement and whether to grant Class Counsel’s request for attorneys’ fees and expenses and Class Representative Incentive Award. We do not know how long these decisions will take.

22. Do I have to come to the hearing?

No. Class Counsel is working on your behalf and will answer any questions the Court may have, but you are welcome to attend the hearing at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you file your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary.

23. What happens if the proposed Settlement receives final approval?

If the Court grants final approval of the proposed Settlement, all Class Members who did not ask to be excluded from the Class will release all of the claims listed in Question 10 above.

Who Is Included?

The CVS Algal-900 DHA Settlement includes everyone in the United States who purchased a CVS-branded Algal-900 DHA dietary supplement between November 15, 2008 and September 30, 2016 that contained “clinically shown to improve memory” or “clinically shown memory improvement” claims on the label and/or on the packaging (“CVS Algal-900 DHA Product”). - If you submit a Claim Form without any Proof of Purchase:
  
  o but CVS’s records indicate you purchased CVS Algal-900 DHA Products using an ExtraCare account, you will receive a credit to your ExtraCare account in the amount of your purchase(s) of CVS Algal-900 DHA Products as indicated in CVS’s records.

  o but CVS’s records indicate you purchased CVS Algal-900 DHA Products online through cvs.com and there is no ExtraCare account associated with your purchase, you will receive a voucher toward the purchase of any product sold at CVS, in the amount of your purchase(s) of CVS Algal-900 DHA Products as indicated in CVS’s records.

  o and CVS does not have any record that you purchased CVS Algal-900 DHA Products, you have the option of receiving a maximum of $5.50 in cash or a $7.00 in voucher toward the purchase of any product sold at CVS.
